

## Call For Participations -ChinaCom2007

*Second International Conference on Communications and Networking in China,*

Shanghai, China, 22-24, August 2007

**CHINACOM 2007** is being positioned as the premier international annual conference for the presentation of original and fundamental advances in the field of Communications, Networks, and Internet Applications. It has been sponsored by **Create-Net, ICST, Shanghai Jiao Tong University**, and technically sponsored by **IEEE, IEEE CAS, IEEE MTT-S, IEEE CVTC, Beijing University of Posts and Telecommunications and Zhejiang University**.

ChinaCom2007 has invited more than **230** TPC members and received around **700** submissions from all over the world. Details of conference technical program will be available soon.

We have invited two keynote speakers at ChinaCom2007. One is **Dr. David G. Belanger**, AT&T Labs Chief Scientist of Information & Software Systems Research V.P. from AT&T Labs, and the other one is **Dr. Paulo T. de Sousa**, Head of Sector, Internet of the Future, in the Directorate-General Information Society, European Commission. More details can be found at <http://www.chinacom.org/keynote.shtml>

**Workshop on Integration of 4G Networks and Wi-Max & Wi-Bro** <http://www.wnet-integration.org/submission.shtml> will be held in conjunction with ChinaCom2007.

We have also organized two special sessions at ChinaCom2007: **Special sessions on Ambient Networks** (supported by **EU IST FP6 IP Ambient Networks**, <http://www.ambient-networks.org/index.html>) and **Special Sessions on Digital Broadcasting and Mobile Convergence** (supported by **EU IST FP6 STREP MING-T**, <http://www.ming-t.org>). More details can be found at <http://www.chinacom.org/specialsessions.shtml>

The conference venue is **The ETON HOTEL SHANGHAI**.

You can find the hotel's information from the following links:

<http://www.chinacom.org/conferencelocation.shtml>

<http://www.chinacom.org/hotelreservation.shtml>

<http://www.chinacom.org/mapdirection.shtml>

Please take care of the hotel reservation due to the limited number of hotel rooms available in the hotel.

We look forward to your participations.

Early Registration Deadline:

**22<sup>nd</sup> July, 2007**
