

Camera-Ready submission guidelines in ASSYST

1. Please, register to the conference. Note that without registering first (via the conference website), you will not be able to upload your camera-ready paper.
2. Log in to [ASSYST](#) with the password you have received from the system. If you cannot find or remember your password, please use the "[Reset Password](#)" function.
3. Once you have logged in, please go to "My Profile" in the main menu and fill out all the mandatory fields of your profile. Without completing this step, the system will not let you proceed. If you already filled in your profile in the system previously, this step is not required.
4. After filling out all the fields in "My Profile" please, click on [SAVE](#). You cannot go further without filling out all the mandatory fields.
5. Select the conference/ workshop from the list, where you want to submit your camera ready paper.
6. Click on "[Upload Camera Ready Paper](#)".
7. Please, provide information on your paper, such as Title, Abstract and Keywords. Click on [NEXT](#).
8. On the next page please, add all the co-authors of your paper by clicking on "Add Additional Authors". After you have added all the co-authors, please, click on NEXT.
9. **Copyright:**
 - After registration, you will be redirected to IEEE electronic copyright wizard.
 - You begin by responding to the interactive Wizard, which was designed to be very simple and convenient. After you've finished answering the Wizard's easy questions, you will be transferred to one of three form
 - 1. the IEEE Copyright Form
 - 2. the US Government Employee Certification Form, or
 - 3. the Crown Government Employee Certification Form.
 - You can also print the text by clicking on "Print" button.
 - Once you've read the information on the Form, and confirmed that it is the correct Form for you, all you need to do is type in your name and date in the boxes at the bottom. Once you click on the "Submit" button, the process will be completed, and you will automatically receive a copy of the signed Form via email.
 - After you complete the Wizard, you will be redirected back to ASSYST and they can proceed to point 10.
10. After completing the copyright agreement step, you can upload your camera ready paper only in PDF format.

NOTE: Failure to upload your camera ready paper in the required format(s) will result in that your paper will neither appear on the proceedings CD, nor in the digital library.

11. If you need to make any further modifications on your paper, you may do so by clicking on the "Manage my Papers" and "View my Papers" link up until the Camera Ready Deadline is over.
 - Please, do not forget to accept the Copyright Terms every time you modify your paper!
